

6th Annual Winter Neurosurgical Forum

February 11th – February 15th, 2023
Steamboat Springs, Colorado

Presented by:

University of Illinois at Chicago
**DEPARTMENT OF
NEUROSURGERY**

UNIVERSITY OF ILLINOIS
COLLEGE OF MEDICINE

Objective

The Winter Neurosurgical Forum is intended to provide a semi-formal setting for a small group of opinion leaders to participate in open and frank discussions related to the neurosciences. Of special interest are blue-sky ideas, controversies, new and evolving technologies, complications/lessons learned, and strategic initiatives. The backdrop is the idyllic ski-town of Steamboat Springs, Colorado.

Winter Forum Attire

Casual (*NO SUITS OR TIES*)

Airport

The closest airport is Yampa Valley Regional Airport (HDN), in Hayden, CO.

Address: 11005 RCR 51A, Hayden, CO 81639

Transportation

Please note that group transportation has been arranged for the dinner at Marabou Ranch on Saturday evening, as it is too difficult to drive on your own.

Car Rental

Highly advisable this year. Book early and pick-up your car at the Yampa Valley/Hayden Airport. It is recommended to get a **4 wheel drive vehicle**.

Uber and Lyft are available in Steamboat Springs for transport, though their service is limited.

Within Steamboat, there is a free public transit bus system, the Red and Blue lines pick up/drop off right by the hotels.
